Contships Story

Contships was established in 2015,
by **Nikolas D. Pateras**, our Chairman and CEO.
The N.D. Pateras family history in shipping dates back to 1870.
Mr. Pateras has owned and operated
over 150 vessels during his career.
Contships invested exclusively in acquiring
54 container feeder vessels since 2015.

**Contships controls the largest global independent fleet
of container feeder vessels from 900-1500 TEU's.**

**Contships Logistics Corp's investment in the container
feeder sector (46 vessels) is currently valued
at U\$ 870 million.***

Contships feeders are maintained efficiently
and offer charterers excellent performance
and reliable and flexible services.

Contships has one of the most experienced
management teams in the industry
with a strong leadership and a validated strategy.
